their many offenses. It is the same gang which assaulted a woman in De-

President repeated the solemn words. "I do solemnly swear that I will faithfully execute the office of Presi-

dent of the United States and will, to the best of my ability, preserve, pro-tect and defend the Constitution of the United States."

There was much solemnity in the manner of the President and none who

saw him failed to realize that he felt the impressiveness of the oath. As he bent to kiss the book the crowded gal-

leries and chamber resounded with an-

Mr. Taft at once began the delivery

was more brief than the usual Presi-

of his inaugural address which, in ac-cordance with time-honored custom,

he made a short address to them.

So soon as the newly made President had completed his address he was

escorted to his carriage by the com-

mittee and driven back to the White House, his carriage surrounded by Troop A of Cleveland, mounted on

their magnificent black horses. The closed carriage occupied by the Presi-

dent, however, prevented crowds sec-ing anything of Mr. Taft. It was shortly after 1:30 when the President left the capitol and no time

was lost reaching the White House where luncheon was served. It was amounced that President Taft would review the parade, at least in part, and that feature would not be abandoned although greatly curtailed, few of the noilitieal marching clubs earing

of the political marching clubs caring to negotiate the heavy going, the snow

being almost to a man's knees in the

streets. The marines and bluejackets, however, took active part in the day's

work and none of the troops failed to take their places in the line.

Waters of Harbor Overflow Wharves and Enter Cellars.

Morning Tide Said to Be Highest in 20 Years-Fly- spread out at 89 ing Snow Makes Things Disagreeable, But Public Services of All Kinds Are Little Impeded.

The stiffest notheast gale accompanied by snow and the highest tide ocal boatmen have seen in the past twenty years raged here all last night and this morning.

At 5 o'clock this morning, over four hours before it was time for high water, the water was touching the usual highwater mark and at 9:40, time for high water, the water rose higher than the wharves in the Pequonnock river. At the Frank Miller Lumber Co. and the Arnold Coal Co.'s yards water pass-ed over the dock logs, but receded without any damage being done.

The Steeplechase island breakwater was covered. The steamer Starin was filled as she lay against the long The Merritt-Chapman wrecking crew

made no attempt to work in the gale and their boats lay inside of the breakwater all this morning. It was PEDDLER'S LEMONS
